REGISTRATIONS OPEN  
AUGUST 25<sup>TH</sup> 2025

## MONDAY

### **Discover Aotearoa's birds and see them up close!**

Keeperkids will learn all about our native birds! They will do some drawing in the aviary, craft enrichment for the birds, learn to identify animal tracks and understand pest control efforts, bird encounters and feeding, as well as games and eco-friendly crafts like leaf printing and making hemp nets and bags!

## TUESDAY

### **Meet our gorgeous and intelligent primates!**

Keeperkids will learn all about our primates! They will do some drawing in the aviary, craft enrichment for primates, learn to build a bird nest, animal encounters, learn to make monkey biscuits, as well as games and eco-friendly crafts like natural dyes and papier-mâché creations for the animals or even hemp nets and hammocks!

\*Our Educator has a vast inventory of learning activities, games and crafts on top of the ones listed above. Seasonal changes to activities to be expected, keeping every holiday fresh and exciting for your tamariki.
